A word cloud of network technology terms. The words are arranged in a diagonal pattern from the bottom-left to the top-right. The words and their colors are: 'lte' (orange), 'gsm' (blue), 'hspa' (dark blue), 'cdma' (purple), '5g' (light purple), 'cdma2000' (yellow), 'evdo' (pink), and 'umts' (red). The words 'gsm' and 'hspa' are the largest, while '5g' and 'umts' are the smallest.
